JOURNAL INDEX—FALL 1975 THROUGH SUMMER 1976

by

Vernon Roberts*

Part I: An alphabetical index by author is provided in Part I. It includes all articles published in issues of the Journal, Volume 13, No. 1 through 4.

Part II. A topical index is provided in Part II. Articles are identified by number as listed in Part I of the index. Articles have been identified by field, population, problem area, and research. As an example of entry into Part II, a search for information on vocational education curriculist competencies might be initiated by checking under any one of the four identification terms—field, population, problem, and research.

Part III. Dedications to prominent leaders in industrial education. There were no dedications in Volume 13.

Part IV. Provides a list of all previous Journal indexes and the issues in which they appear.

Part V. Provides a list of special features.

Part VI. Provides a list of book reviews and the issues in which they appear.
